Church Support

Due to the Thanksgiving holiday, the bulletin had to be submitted before the weekend Masses. The offertory for the weekend of November 17/18 will appear in next week's bulletin.

The Share Fund Knitting Program would like to extend a sincere thank you to everyone who participated in the Knit-A-Thon at the Library. Thanks to your generosity, they were able to donate 555 hand made items to local Share Outreach programs. The program was such a success that they are looking forward to repeating it next year. If you have any questions about the program, please call Doris Breton, Director of the Knitting Program for Share. Her number is 332-8257.

We also received a thank you from Marlene Brooks to the parishioners of St. Mary's for the ongoing support of soldiers with the care package donations made throughout the year. She also thanks John & Pat Roesse and Jim & Jean Ann Twombly for collecting the items and dropping them off at the VFW. On November 10th they prepared packages for 47 local soldiers who are stationed in Iraq, Afghanistan, Africa, Germany, Korea and on a ship outside of Vietnam. Without your support, they could no longer continue their efforts year round of assuring our soldiers, and their families, that the sacrifices they are making are not forgotten.

And, last but certainly not least, we would like to thank everyone who helped with our Christmas Fair – from the kitchen staff who cooked all the delicious food to all the workers who were here setting up, pricing items and selling everything on the day of the Fair, as well as taking everything down after the Fair. But a very special thanks goes out to all of you who contributed so generously with many items – for the penny sale, jewelry, books, food, the many wonderful theme baskets and auction items. Without your generosity, the Fair wouldn't exist. Next week we will give you the breakdown of our profit and the winners of our major items. Thank you all once again. We could never have done this without you.

Olan Mills is willing to come back for one day to take photos for our Pictorial Directory for those who were not able to come on the original dates. We need a minimum of 35 sittings in order for them to come back. If you are interested in having your picture taken for the directory, please sign up on the sheet in the Gathering Area. We won't have a definite date until we contact them, but please indicate if you will be available in the morning, afternoon or evening. If you have any questions, please call the office.

From the Pastor's Desk

Dear Friends,

This Sunday evening at 6:00 PM, Saint Mary's invites everyone to gather together to celebrate the **Second Annual Saint Cecelia's Day Sing-Along!** We had a great time last year, gathering around the keyboard to share in our favorite hymns, both ancient & modern, and we look forward to having you with us this year. There will be a special children's program, too, with Linda & Dennis Strohecker sharing children's songs. Come join us for a wonderful evening of praise & joy, as we commemorate Saint Cecelia, the patron saint of music, whose feast day was on November 22nd.

The cluster task force has nearly completed its work and will shortly be sending a final report to our Bishop. Before the written version takes its final form, however, we want to announce a **Listening Session** to which all parishioners are once again invited. This final Listening Session will be held on **Monday night, December 3, from 7:00 - 8:30 PM, at Saint Leo's in Gonic.** We encourage all interested parishioners to set aside the time to listen to the report and to offer your input & feedback before the final version is sent to our Bishop.

Peace to You This Week!
Father Pierre
